Palmer, Mass. June 1, 1920.

It being reported that the Town Clerk of Belchertown, Mass. cannot furnish a birth certificate to Charles Julian Tuthill, because of a failure to record his name at his birth, or thereafter, in the records of said town under a date of December 1st, 1865,

Witness that Delight A. Tuthill, nee Rundall, affirmeth or deposeth hereby that on October 2nd, 1861, she was legally married to one James H. Tuthill (deceased in 1903), and that on December 1, 1865, in the town of Belchertown, Mass. to said James H. Tuthill as father, she gave birth to a male child, unto whom was given by his parents the name of Charles Julian, which name ought to have been placed in the records of said town.

Signed:-

Delight A. Tuthill

Subscribed and sworn to this 4th day of June, 1920, at Palmer, Mass, before me,

Ernest E. Hobson

SECTION 14. If the record relating to a birth, marriage or death does not contain all the required facts, or if it is alleged that the facts are not correctly stated therein, the city or town clerk shall receive an affidavit containing the facts required for record, if made by a person who was required by law to furnish the information for the original record, or, at the discretion of the city or town clerk, by one or more credible persons having knowledge of the case. He shall file such affidavit and record it in a separate book to be kept for that purpose, with the name and residence of the deponent and the date of such record, and shall thereupon draw a line through the incorrect statements without erasing them, shall enter upon the original record the facts required to amend the record and forthwith, if a copy of the record has been sent to the secretary of the commonwealth, shall forward to the secretary a certified copy of the corrected record upon blanks to be provided by him, and he shall thereupon amend the record in his office and state in the margin thereof his authority therefor. Reference to the record of the affidavit shall be made by the clerk on the margin of the original record. If the clerk furnishes a copy of such record, he shall certify to the facts contained therein as amended, and shall state in addition that the certificate is issued under the provisions of this section, a copy of which shall be printed on every such certificate. Such affidavit, or a certified copy of the record of any other city or town or of a written statement made at the time by any person since deceased who was required by law to furnish evidence thereof, may, at the discretion of the clerk, be made the basis for the record of a birth, marriage or death not previously recorded, and such copy of record may also be made the basis for completing the record of a birth, marriage or death which does not contain all the required facts.

SECTION 15. Whoever wilfully makes a false return relative to a birth, marriage or death shall forfeit not more than fifty dollars.

TREATMENT REPORT
November 1986

Births
Deaths
Marriages
Vol. B
Belchertown, MA

Upon receipt, this book was disbound. The paper was acidic and in poor physical condition.

The book was dismantled and the pages were flattened. The paper was treated with Wei T'o non-aqueous deacidifier. All folios were reinforced with Cerex nylon and Bostik web adhesive.

The book was resewn and backed with linen. Spine adhesive is PVA emulsion. Cover material is goatskin and all boards and flyleaves are acid-free.
